Stipulations to approval of Demolition/Relocation Permit dated _____ and approved _____ .

1. All Debris shall be carted away from site.
2. No dumpsters shall be in street. Place dumpsters in driveways, as best possible.
3. No trees shall be removed and no "clearing" unless separate permit is filed and approved.
4. Site shall be kept safe, clear, level and well graded for proper drainage.
5. Street must be kept clean during and after demolition. Provide erosion control measures, if needed (Hay Bales, Silt Fencing, etc.) at perimeter of property.

Thank you,

Christopher Harding
Building Inspector
