SOLDER CERTIFICATION AND ANTI-SCALD CERTIFICATION

Building Permit No. _____ Dated: _____

Address: _____

Owner: _____

Plumber: _____

- I certify that the solder used in the water supply and distribution system contains less than 2/10 of 1% lead as required in section 605.15.3 of the Plumbing Code of New York State.
- I certify that the water distribution system was installed without the use of any soldered joints.
- I certify that I installed an anti-scald and/or thermal shock preventing device at all bathing and/or showering fixtures in conformance with section 424.4 of the Plumbing Code of New York State to mitigate the potential hazards due to shower valves that allows surges of high temperature water to flow from the showerhead.

Please check One.

- I certify that I am the licensed plumber (License# _____) that installed all the plumbing for the above referenced building permit.
- I certify that I am the homeowner and I personally installed all the plumbing for the above referenced building permit.

I affirm that all information provided in this document is true and factual.

False statements made herein are punishable as a Class "A" misdemeanor pursuant to Section 210.45 of the Penal Law.
