Lee Page's mother passed away recently. Lee was Village Clerk, Treasurer for 22 years.

GOOD-MANNERED DOGS

Please keep your dogs on leashes or behind fences.

We all love our dogs, but nature is nature. Most dogs

love to go for a walk with their masters and while some residents have been out walking their dogs, other dogs come running up to play. While this is fun for some dogs, other dogs are bred to protect their masters and problems and conflicts are occurring!

Other dogs are afraid of the new friend and the situation is becoming worse. Because of these problems, many residents are now anxious about walking their dogs.

Belle Terre does have a dog ordinance which reads as follows: Dogs are not "to be at any time on any street, park or other public place in the incorporated area of The Village of Belle Terre unless fully controlled by the owner or some other person by means of a rope, leash or other similar device."

THE BELLE TERRE COMMUNITY ASSOCIATION BEAUTIFICATION COMMITTEE IS LOOKING FOR "NEW BLOOD".

Who we are:

A group of women (with occasional help from willing men) who plant and tend flowerbeds in some of the common areas of Belle Terre.

When we meet:

Once a week for about 2 hours Spring through Fall.

Why we do it...

We like gardening....we enjoy the aesthetics that

plantings and tending bring to Belle Terre...we love the fellowship...we know that we can do this and still do all else in our lives since we don't necessarily have to be at every gardening session...

Think about joining us....

You don't have to be a knowledgeable gardener. Contact committee co-chairs Helene or Ann

HOLIDAY WISHES FROM MAYOR TED LUCKI

Best Holiday wishes to all. What better way to start thinking about the holiday season than to take a minute and list some of the accomplishments of our neighbors and friends on behalf of our wonderful Village in 2009.

1. The Belle Terre Community Association has provided monthly activities that cater to all residents. The Pancake Breakfast, Lobster Fest, Residents Party, Movie Nights, Pumpkin Carving, and now the Belle Terre Railroad Toys for Tots display, are all great events.
2. The Beautification Committee has improved the look of our beautiful Village. Their attention to detail is an inspiration.
3. The beach program is an overwhelming success. The counselors and campers had fun and worked in a very safe environment. It is "cool" to be a camper!
4. The Village Trustees, The Planning Board, The Zoning Board of Appeals and other concerned residents developed a new approach to managing our Village's land development. The Village made code changes and instituted a Site Plan Review Law. This is the most important law the Village has instituted in the past ten years. I want to thank the various committee members for their efforts and especially Terri Elowitz for her professional expertise.
5. The Village office staff continues to be friendly and accommodating to our requests. We all appreciate their positive approach to all Village activities.
6. The newsletter is great and highlights many diverse aspects of Village Life. I love the human interest stories. Thank you Roy and Pat Stockdale.

All in all, 2009 was a very productive year for Belle Terre. I look forward to a Happy and Prosperous 2010 for all. Happy Holidays.

POT-LUCK SUPPER

Beach season was officially over, but the atmosphere returned for one evening in September to everyone's delight. Pat Stockdale spun her magic for the BTCA- sponsored Pot Luck Supper on September 26th and brought the beach to us.

The Community Center was decked out with arrangements of tall beach grasses, while white paper seagulls soared overhead. For each table, Pat had handcrafted centerpieces made from driftwood, sea glass and shells. Everything looked perfect.

As usual, Belle Terre chefs rose to the occasion and supplied a varied and delicious selection of food. We could have fed an army! This was another opportunity to meet and mingle and it was rewarding to see new faces, some with children in tow.

Many thanks to Pat Stockdale for a job so well done.
Pat Geelan

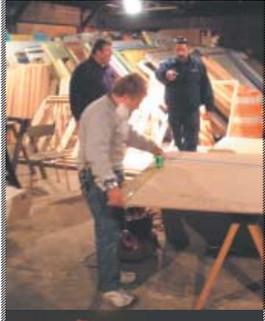

It was good to see so many young residents, with their cute kids, at the party. The Community center was warm and welcoming and beautifully decorated for fall. Carol McAnaney and her crew did a good job.

The tables were decorated with bright autumn leaves and lighted pumpkins, carved out by Lorraine Doganieri. She also made the wreath on the front door.

We are so lucky to have so many talented people in Belle Terre.

THE RESIDENT'S PARTY

Railway Display in Aid of "Toys for Tots"

WOW!!
Words fail me....
See it all for yourself.
(Don't forget a toy.)

PUMPKINS

It was a nice event. The Community Hall was happily buzzing with kids of all ages busily carving, as we walked in. There were pumpkins everywhere in various designs.

There was a table with cutout paper pumpkins and stick-ems for the little hands that could not carve.

Lauren Cona, the organizer and her helpers, Mary Bouno and Linda Poirier had done well. The hall was warm and welcoming. There were refreshments available. Pizzas were on order to be delivered at five PM and non scary Halloween movies had been rented to amuse all.

Yes! It was a very nice event.

INCORPORATED VILLAGE OF BELLE TERRE

Belle Terre Community Association 2009

The year in review:

What a year! We met, we scheduled, we budgeted, we worked and worked and had fun and laughs doing it. From the first Football Play-offs in January to the final Cookie Exchange in December, the Community Association Board worked together to make each event a success. The Board members really came through as a team this year, inspiring ideas, supporting one another, and occasionally meeting downtown for more inspiration.

We presented 19 events this year, many especially for kids: Movie Nights, the Easter Egg Hunt, Pumpkin Carving and a grand Holiday Party with Santa driving up in a constable's car with sirens blaring. Trains rumbled down their tracks all around the Community Center during our first Toys for Tots initiative. We hosted family events: a Pancake Breakfast, Yard Sale, Mather Hospital Walk, Concert, Pot- Luck Supper, Residents' Party, and two educational programs - Boating Safety and a historical presentation by Nancy Orth. Adults enjoyed the Garden Tour, and Lobster Bake. What made this year unique was the diversity of the events and the number of residents and new residents in attendance and the detail and effort the board put into each event. This is how the BTCA measures its success. It was a good year!

The members of the Beautification Committee once again outdid themselves with their horticultural enhancements along our roads, at the intersection islands, in front of the old fire bell, and at the Community Center. This group volunteers countless hours to improve the appearance of our village. To fully appreciate their efforts, the next time you drive through our community, take a minute to really look around. Their job is never-ending; they can always use help and support from those of you with green thumbs or those who just like to be outdoors.

In 2010 we will concentrate on both improving the quality of our events and on adding new ones. We also hope to spearhead some major improvements in our community. In Belle Terre we have so many natural resources to protect and enhance. The roadsides are encumbered with vines and littered with dead wood, the park and the beach are in need of repair, and the circle at the end of Cliff Road and the land at the bottom of Anchorage Road are hidden treasures that need our attention. Our community has the talent, insight, and means to accomplish these goals. How can we tap into our own resources to improve the village we live in? This is what the BTCA hopes to focus on.

Please take a look at the 2010 calendar within. We have added some new events and repeated some favorites. We ask you, our neighbors and friends, to seek out a Community Association board member from the names listed below to share any ideas or suggestions for events or activities you would like to propose. We are always interested in your suggestions and can always use your help.

The true uniqueness of living in Belle Terre is found not only in its obvious natural beauty but in the community atmosphere that enables us to enjoy a dinner on the beach or a party with new and old neighbors, to attend a lecture or just enjoy the peace and quiet of nature. I personally have learned so much when speaking with many neighbors at these events. You might be surprised by the backgrounds and stories told by those who have made their homes in Belle Terre since they were children. This is a unique chance to take this opportunity young and old and learn from it. Imagine being able to do all of this in your own back yard. Those gates that we pass through daily are more than just a geographical demarcation; they open the door to a community of neighbors and friends.

Have a wonderful and safe Holiday Season!

Sincerely,

Your Belle Terre Community Association Board

Belle Terre soccer team

The Real Belle Terre soccer team is on their way to the Disney Wide World of Sports Complex to compete in the National 3V3 soccer competition! The team, comprised of 9th grade Belle Terre residents, Blake Bohlen, Conor Crovello and Gerard Racanelli, and Port Jefferson residents, Vincent Antonelli, Gabe Davis and Stanley Klasek had competed locally and won in Massachusetts. The boys then competed in the regional competition in Pennsylvania where they qualified for Disney! The team is being coached by Bobby Bohlen, Penn State student soccer athlete and assistant coach J.D McKinnon. The boys all play on the Port Jefferson school team and they all play for outside club teams as well. Please wish the boys well the weekend of Jan. 15-18 as they strive for the 3V3 National title!
